SILVIA MEICA

Atlanta, GA | (404) 488-3867 | meicasilvia7@gmail.com | linkedin.com/in/silviameica

PROFESSIONAL SUMMARY

Management Information Systems graduate with a 4.0 GPA and project experience in SQL, Python, Power BI, Tableau, and Excel. Built analytical dashboards, analyzed business and economic datasets, and designed an Oracle relational database.

TECHNICAL SKILLS

Querying & Programming: SQL, Python (Pandas, NumPy, Matplotlib)
Analytics & Visualization: Power BI, Tableau, Excel (PivotTables, XLOOKUP), data cleaning, exploratory analysis
Database Design: Oracle Database, relational data modeling, normalization, joins, subqueries, constraints

EDUCATION

Georgia Gwinnett College — Lawrenceville, GA *May 2026*
Bachelor of Science in Management Information Systems *GPA: 4.0*
Business Intelligence Certificate, May 2026
Honors: Outstanding Student Award in MIS; Beta Gamma Sigma; President's List—all semesters, 2022–2026

SELECTED ANALYTICS PROJECTS

Retail Sales & Pricing Analysis *Jan – May 2026*
- Analyzed retail sales data using SQL and Excel to examine revenue trends, pricing patterns, and product performance.
- Compared pricing and discount scenarios to assess potential revenue impacts and identify pricing opportunities.
- Developed interactive Power BI and Tableau dashboards to visualize sales trends and compare product performance.

Travel Agency Database *Jan – May 2026*
- Designed an Oracle relational database using entity-relationship modeling and normalization.
- Created tables and constraints to maintain data integrity; populated and updated records using SQL.
- Wrote multi-table joins and nested subqueries to retrieve related records and support reporting.

Global Education & Economic Indicators *Sep – Dec 2025*
- Analyzed education and economic indicators across 50+ countries using Python, Pandas, and NumPy.
- Cleaned and transformed datasets to resolve inconsistencies and support comparisons across countries.
- Created Matplotlib visualizations to communicate patterns in education and economic indicators.

Housing Market Analytics *Sep – Dec 2024*
- Cleaned and standardized housing and demographic datasets in Excel, including records containing FIPS codes.
- Integrated geographic and housing data into an interactive Power BI dashboard for regional analysis.
- Examined regional housing prices and demographic indicators to identify market trends and pricing patterns.

PROFESSIONAL EXPERIENCE

Office Administrator | Dental Clinic — Chisinau, Moldova *2017 – 2019*
- Maintained electronic and paper patient records, verified information, and corrected discrepancies while preserving confidentiality.
- Coordinated patient registration, appointment scheduling, and daily administrative operations.

LEADERSHIP & COMMUNITY ENGAGEMENT

Ambassador | SBA Torch Team, Georgia Gwinnett College *May 2024 – May 2026*
- Supported business networking and student engagement events with faculty, staff, and student organizations.

Mentor | Junior Achievement of Georgia *Feb 2024*
- Guided 10–15 students through the BizTown simulation, helping them apply marketing, finance, and business operations concepts.

ADDITIONAL CERTIFICATIONS

IT Specialist Certification—Networking | ITS Certification *Apr 2026*
